

How to Update Your Consent Status In Arbor – Covid Testing

If you have not already consented or declined consent in Arbor for your child to participate in the Asymptomatic Mass Testing Programme please follow the steps below to update it.

- Login to Arbor
- Under Notices, click on the message regarding COVID-19 Testing

The screenshot shows a sidebar menu with an orange 'Quick Actions' header. Below it is a 'Test Student' section with a circular profile icon and a 'Form' label. A green button labeled 'View Student Profile' is positioned below the 'Test Student' section. Underneath is a 'Notices' section containing two messages: 'Test Student's lunch requirement has not been set. Please contact the school to arrange this.' and 'You have not consented to COVID-19 Testing - consented by guardian for Test Student - click to correct'.

- This will bring up a pop up to enable you to review consent.

The 'Review Consent' window displays the following information:

Student	Test Student
Consent type	COVID-19 Testing - consented by guardian

- Please read the details and then either click **GIVE CONSENT** or **DECLINE CONSENT**

The form includes a 'Note' field with a speech bubble icon, a red 'Decline Consent' button, a grey 'Cancel' button, and a green 'Give Consent' button.

- If you wish to provide additional details regarding testing only, please use the Notes box provided.
